

Dear (Insert Your Representative(s) Name Here):

The Pet Safety and Protection Act (H.R. 2256) is currently in Committee. When passed, the bill will strengthen the Animal Welfare Act to prohibit Class "B" dealers from selling random source animals to research facilities. As concerned citizens, we the undersigned support this Act which addresses a problem that has caused heartbreak to thousands of Americans. We urge you, co-sponsor this Bill. Please help make America a safe place for pets.
